

The pathways that encircle Hospice Austin's Christopher House are made up of over 20,000 bricks.

Etched into many of those bricks are lasting memories, joyful tributes and fond farewells.

The Walk of Friends is a poignant and enduring tribute to those who have touched our lives.

The bricks remember departed loved ones, celebrate children, and honor dear friends.

The gardens and pathways provide a sanctuary for patients, families and friends who are always welcome to visit this special place.
